My dear Sir,

I was quite pleasingly surprised in receiving your letter of April 9th.

I am very much honoured in being elected to corresponding membership of the American numismatic society. Please convey my respectful thanks to the President and members of the Council.

I will certainly be glad to be of any help to the Society for the growth of her collections, whenever I can do so and under the guidance of Mr. Howland Wood who has always been for me such an obliging correspondent.

Respectfully yours

A. Salles

inspecteur des colonies en retraite.
